S-69 Bielsko-Biała - Żywiec, odc. Wilkowice/Lodygowice-Żywiec
Trasa Słowackiego Gdańsk
Construction of S-19 Stobierna - Rzeszów
Construction of S-19 Lublin Sławinek-Lublin Węglin
Construction of S-19 Międzyrzec Podlaski – Lubartów
Construction of express road S19 Lublin Sławinek - Lublin Węglin (PSA)
Construction of expressway S19 Lublin - Rzeszów, section node Sokołów Młp. North - Stobierna
Reconstruction of national road no 4 section Machowa - Lancut
Construction of the Regional Road Raciborz-Pszczyna - section in City of Rybnik, Stage I
Construction of Innowrocław and Brodnica bypasses, DK15
Construction of the ring road Ostróda, DK 16 (PSA)
Construction of Provincial Road of Rybnik
Construction of Wielun and Belchatow bypasses, DK74 (PSA)
Construction of express road S51 Olsztyn-Olsztynek
Gdynia port - new Ferry Terminal with a road and a railway access
Construction of the Regional Road Raciborz-Pszczyna - section in City of Rybnik, Stage (IQR)

WATER AND WASTEWATER

Construction of Raciborz Dolny Flood Protection Reservoir on the Odra River, Silesian Voivodeship (Polder)
PSA
Raciborz flood control

Support for developing a national strategy for sewage sludge management

Water supply and wastewater management in Warsaw – Phase V

Water and wastewater management in Biala Przemsza river basin

Review and update of water and wastewater project in Walcz

Feasibility study development and evaluation of water and flood risk management projects

Review and extension of the Radom wastewater project

Poznan Water and Wastewater - Phase III

Katowice Water and Wastewater - Stage II (Phase II)

Construction of a sewer system in the Marki Conurbation

MG-6 water and wastewater management

Nysa Flood Risk Management and Reservoir Modernization - Phase 1

Screening of priority axis-I water and wastewater projects

Wloclawek dam Vistula river

Puszcza Zielonka Sanitation

Small retention in the forests

Jaworzno Wastewater management

Rehabilitation of lake Górka in Trzebinia

Water & Wastewater System in Katowice Stage II

Water & Wastewater System in Warsaw Phase IV

Storm water protection system - Bay of Gdansk

Review and extension of the groundwater protection project in Kielce

Warsaw water supply and sewerage – Phase IV

Brwinow water and wastewater management

Modernisation of the Wroclaw City Floodway System - WWW

Modernisation of Regional Wroclaw Floodway System - Polder

Myslenice water and wastewater management

Modification of wastewater project in Radom

NFOS - Screening of flood prevention projects

Workshop on the Water Framework Directive

Integrated water and sewage management in Parseta river basin - Phase II

Improvement of water and sewage management in Strzelce Opolskie conurbation

Expansion and modernisation of the water supply and sewer systems in Bialystok and the borough of Wasilkow

Modernisation and expansion of water and sewage management in the borough of Glucholazy

Improvement of water and wastewater management in Sochaczew - Stage I

Preparation of flood risk management projects for CF grant finance - Training workshop

Torun water and wastewater management - Stage II

Modernisation of the Wloclawek dam

Upstream review of flood management projects - stage II

Wodzislaw Slaski - Karkoszka II wastewater treatment plant

Modernisation of Siedlce wastewater system

Walcz water and wastewater

Zory water and wastewater

Gdansk water and wastewater - Phase II

Protection of Groundwater in Kielce agglomeration

Żywiec waste water treatment – phase II

Small water retention in the highlands

Czechowice Dziedzice-water and waste water management

Bielsko Biala water and wastewater

Review and extension of the Myslenice water and waste water management project

Zulawy flood protection

Wastewater management in Ledziny

Zabrze water and wastewater - stage II

Lublin waste water treatment

Stare Babice water and wastewater management

Krzeszowice wastewater

Dabrowa Gornicza wastewater

Tomaszow Mazowiecki-water and wastewater management

Poznan water and wastewater - Phase I

Radom wastewater

Computerized information system of country protection from extraordinary hazards

Trias Opolski Groundwater protection - Phase II

Mikolow water and wastewater management

Review and update of water and wastewater project in Walcz

SMART DEVELOPMENT

EPEC hospital evaluation grid: translation, adaptation, consultation and testing

GEOPORTAL - Development of digital cadastral and geographic (geo-spatial) information system

CEZAMAT - Centre for advanced materials and technologies

CENT III - Centre for biological and chemical sciences of the University of Warsaw

Bialystok football stadium

Supporting health care investment projects with multiple funding schemes

Construction of Wielkopolska broadband network

Wroclaw: Dolnoslaskie centre for materials and biomaterials

Assessment of Polish industrial collaboration projects

Warsaw: Centre for preclinical and technological research

EC-1 revitalization and adaptation for cultural and artistic purposes - request for modification

Evaluation of aid for projects under priority axis 8 (Protection of cultural heritage)

Poznan: Centre for advanced technologies

E-Health: Electronic platform for medical events

Plock industrial and technological park

E-Health: Electronic platform for medical events

Katowice/Zabrze: Research centre for clean coal / chemical coal processing

Warminsko-Mazurskie - Eastern Poland broadband network

Lubelskie - Eastern Poland broadband network

Polish ID Card

Termy Gostyninskie

Workshop on EIA culture projects

Lower Silesia Broadband

Malopolska broadband

Workshop for the evaluation of broadband infrastructure development projects

Cultural and congress centre at Jordanski place

Rehabilitation of post-military areas

Krakow: Malopolska Regional Biotechnology Centre

Warsaw - Construction of the Kopernik Centre of Science

Broadband in East Poland-initial scoping

"Podium"-construction of a new sport and cultural spectacles arena

Broadband Working Groups

Internet for Mazovia

Katowice National Polish Radio Symphony Orchestra

Lodz: Revitalisation of EC-1 Power Station for cultural and artistic purposes

Gdansk: European Solidarity Centre

Koszalin: Sports / Exhibition Hall

Swietokrzyskie - Eastern Poland broadband network

Lublin: Centre of Culture

Krakow: Malopolska congress centre

Katowice: New Silesia Museum

Podkarpackie - Eastern Poland broadband network

Podlaskie - Eastern Poland broadband network

Implementation Support in Polish R&D

Bialystok: European Art Centre - Opera House and Concert Hall

ENERGY AND SOLID WASTE

Comprehensive thermo-modernisation of state art schools in Poland

Comprehensive thermo-modernisation of state art schools in Poland (PSA)

Lwowek - Odolanow gas pipeline

Lwowek - Odolanow gas pipeline (PSA)

Lodz Waste Treatment

Central Pomerania waste management system

Introduction of biomass CHP power unit in Elblag.

Pelplin Wind Farm

GAZ SYSTEM transmission Świnoujście-Szczecin

GAZ SYSTEM transmission Gustorzyn-Rembelszczyna

GAZ SYSTEM transmission Wloclawek-Gdynia

Gas Transmission Dolnym Slasku

Lukaszow wind farm

Wind Farm Legnickie Pole

Screening framework for Polish waste-to-energy projects

Energy distribution networks north region

Energy distribution networks Lubelskie region

Warsaw University revitalisation

GAS SYSTEMS transmission

LNG terminal and underground storage

Municipal waste management programme in Krakow

Municipal waste incineration plant in Szczecin

Municipal waste incineration plant in Bydgoszcz

Recultivation of Sulfur mining areas

Kielce waste management system

Guideline for preparation of the sewage sludge management strategy

Power distribution from renewable sources

Electric power link between Poland and Lithuania

Underground gas storage Mogilno - extension

Malechowo wind farm

Underground gas storage Wierzchowice - extension

Underground gas storage Strachocina - extension

Municipal waste management system in Konin sub-region

Underground gas storage Kosakowo - construction

Poznan municipal waste management system

Development of municipal waste management system in Bialystok

Olsztyn Municipal waste management system

Regional Municipal waste management system Tczew

Introduction of biomass-fired boiler in Jaworzno

Waste flow control study

State Aid in waste incineration projects

LNG Terminal-Swinoujscie

Golice Wind Farm

Development of Ostaszewo wind farm - 40 MW

Phase 2 - Poland Lithuania power link - Narew Ostroleka

Phase 3 - Poland Lithuania power link - Elk area

Phase 4 - Poland Lithuania power link - Milosna-Siedlce-Ujrzanow

Phase 5 - Poland Lithuania power link - Elk-Lithuania Border

Energy loss reduction KE ENERGY SA

Phase 1 - Poland Lithuania power link - Oltarzew

Kukinia wind farm

Gas market study

GAZ SYSTEM transmission Szczecin-Lwowek

GAZ SYSTEM transmission Gustorzyn-Odolanow

GAZ SYSTEM transmission Szczecin-Gdańsk

State Aid in energy

Energy efficiency - model approach

Energy sector 2014-2020 - pipeline selection criteria and ex-ante conditionality

Waste management system in Central Pomerania region

MULTI SECTOR

Guidelines for Transport Projects

State Aid in transport projects

Including climate change in co-financing applications in the financial perspective 2014-2020
